Appointment of Interim Executive Director

It is with great sadness that we announce the resignation of our Executive Director Chantal Poirier. Chantal joined Crossroads for Women at the beginning of the Covid-19 Pandemic in 2020, making a hard job even harder. She was able to lead the largest domestic violence shelter facility in Atlantic Canada amidst a global pandemic and quickly acted in developing an operational plan that made it possible to continue to support the women and children of our community during one of the most trying times in the organization's history.

During her time as Executive Director, Crossroads grew considerably, adding new Affordable Housing units, as well as the New Hope program which helps Non-Status, Refugee and Immigrant women who are fleeing domestic violence. We are immensely grateful for her contributions and we wish her the best of luck in all of her future endeavors.

The Board of Directors would like to announce the appointment of Tammy Daigle as Interim Executive Director. As Crossroads' longest standing employee and key member of the leadership team in the role of Associate Director and Second Stage Coordinator, she has demonstrated she has the knowledge, experience and leadership skills to ensure the success of the organization's mandate during this transition period.

Tammy started working at Crossroads in 2010 as a Crisis Intervener and then as an Outreach worker where she was able to extend her skills to women and children living in rural areas surrounding Moncton. She worked her way up to the position of Associate Director, a position she has excelled in ever since.

As Associate Director, Tammy had the immense responsibility of managing four affordable housing units while simultaneously overseeing the crisis shelter, the Outreach program and the New Hope Program. Tammy's tenacity, dependability and innovation ensured the continued success of all programs under her supervision during these trying times. Due to her experience and skills, we have all the confidence that Tammy will be successful fulfilling this new role.
