

Sponsor a Family for the Holidays

For many years, Crossroads for women has been making the Holiday Season special for all families at our shelter, at our Second Stage Housing and supported by our Outreach program. Thanks to the generous support from our donors, the Adopt-A-Family Programs, Individual Gifts and Cash Donations provides new toys/gifts, clothing and grocery store gift cards to the women and children of our community.

If you're looking for ways to help there are multiple options:

WAYS TO HELP!

1. ADOPT-A-FAMILY

You/your group can make a Christmas special for a family living at Crossroads. As a suggested guideline, you can purchase grocery store gift cards, clothing items, warm winter clothing such as boots, mitts, snowsuits or toys for children. To register email admin@crossroadsforwomen.ca or call 506-857-8028 x2. **A customized family wish list will be provided to you.**

2. INDIVIDUAL GIFTS

- **Donation towards individual gift baskets for Moms & single women.** Provide comfort items towards gift baskets or donate towards an item. For more info call 506-857-8028 x2.
- **Grocery Store Gift Cards.** A gift card from a local grocery store will allow our families to purchase ingredients they may not be able to afford such as fruits & vegetables and milk.
- **Toys (NEW and UNWRAPPED).** Children's toys of all age groups are welcome. Teenagers and seniors are harder to buy for so we encourage our sponsors to purchase gift cards for places like Walmart, Sport Chek, Shoppers Drug Mart, Cineplex Odeon or the mall, so they can purchase the gift they will enjoy.
- **Clothes.** New clothing for kids of all ages are welcome. For our seniors we recommend hats, gloves, winter scarves and other warm clothing.

3. CASH DONATIONS

We always have families coming at the shelter after the deadline for our Sponsor A Family program. That's why cash donations are so important. Our staff will use those donations to make sure all our residents have the best Holidays we can offer them.

- **Cash or cheque drop-off:** Contact us at admin@crossroadsforwomen.ca or 506-857-8028 x2 to make arrangements.
